

# Nicks Kids highlights

## Fall Semester

Distance learning was a very tough transition for our kids; we were able to see that with their grades and learning habits. However, with learning coming back to normality, so did their learning habits and grades. Nicks Kids has a 3.3 overall team GPA.

## Off to College

After a year and a half of 'distance learning', three of our seniors at Verbum Dei High School graduated. Combined, they were accepted to a total of 30 schools throughout the country. Gabriel chose to pursue his major at UCLA, while Josh is at USC. Tury is currently employed at Esplanade.

## Soccer Star

Francisco has been able to showcase his soccer skills. He was invited to try out for Chivas in Guadalajara, Mexico. As he awaits to hear back from them, he will be trying out for LA Galaxy.

## Thanksgiving 2021

This year we were able to provide a great Thanksgiving meal for our families, all thanks to the generous donation from the FLAG Foundation and The Buffalo Club. Each one of our families received a smoked turkey, a bag of groceries and a \$100 gift card. Thank you for such generous donation!

## Billie Jean King Youth Leadership Award

We are very proud of Gabriel, as he was honored this year with the Billie Jean King Youth Leadership award, this award along with the \$10,000 scholarship was presented to him in New York at the 2021 ESPN awards.
